Glastonbury 50 Feb 13 2022 THE SUNDAY TIMES BESTSELLER A BOOK OF THE YEAR PICK IN THE TIMES: 'Captivating' A ROUGH TRADE BOOK OF THE YEAR: 'In-depth and inspiring' 'Beautifully compiled ... the perfect festival experience' SUNDAY TIMES Glastonbury 50 is the authorised, behind-the-scenes, inside story of the music festival that has become a true global phenomenon. The story begins in 1970. The day after Jimi Hendrix's death... dairy farmer Michael Eavis invites revellers to his field in Somerset to attend a 'Pop, Folk & Blues' festival. Tickets are £1 each, enticing more than a thousand customers with the promise of music, dance, poetry, theatre, lights and spontaneous entertainment - as well as free milk from his own Worthy Farm cows. Fast forward through five tumultuous decades and the Eavis's vision now encompasses a gigantic 'city in the fields', with a total annual population nearing a quarter of a million. Tickets sell out within minutes, the show is beamed live to more than 40 countries around the globe, and over 3 million people are registered to attend. Meanwhile, the bill has expanded to include big name performers, artists and designers from every branch of the creative arts. Glastonbury Festival is now the largest outdoor green fields event in the world. In their own words, Michael and Emily Eavis reveal the

stories behind the headlines, and celebrate 50 years of history in the Vale of Avalon. They're joined by a host of big-name contributors from the world of music - among them Adele, JAY-Z, Dolly Parton, Chris Martin, Noel Gallagher, Lars Ulrich and Guy Garvey. They're joined by artists - Stanley Donwood, Kurt Jackson and many more. Writers - Caitlin Moran, Lauren Laverne, Billy Bragg - and by a host of photographers, from Seventies icon Brian Walker to rock and roll legends Jill Furmanovsky and Greg Williams. Together they bring you the magic that makes Glastonbury, Glastonbury.

Slogan T-Shirts Apr 03 2021 Informative, illuminating, insightful and erudite, *Slogan T-Shirts: Cult and Culture* is completely unique. Featuring interviews with a wealth of credible fashion insiders, cultural commentators and creative luminaries, from Holly Johnson (of Frankie Goes to Hollywood) to Katharine Hamnett, it offers a multi-faceted approach to the question of what makes the slogan T-shirt so rich, layered and culturally relevant... because slogans are never simply just words; they are emotive and evocative, suggestive and provocative. *Slogan T-Shirts: Cult and Culture* explores the vast spectrum of slogan use on T-shirts; its function as a message delivery system; its expression as an artefact of language; and its role as an emblem of political, social, recreational and sartorial trends. The book unfurls as a cultural library of perspectives, nuanced positions and eclectic sources and each interview offers a cultural snapshot within the versatile framework of slogan T-shirt culture. The book also glances into the inner worlds, inside stories and mechanisms of those involved in fashion, design and the production of media. Beautifully designed, visually seductive and packed with influential innovators from the last three decades, every page of this book is a source of inspiration.

200% Cotton Oct 21 2022 More than a cheap article of clothing, the T-shirt is a portable personal ad, its wearer declaring their political/musical/social affiliations for the world to see. Since the Sixties, the T-shirt has provided a forum for expression where

anti-war slogans mixed with early counter-culture classics such as ‘Keep on Truckin’’, and tie-dye mingled with the debut of that hardy perennial, the tour T-shirt – album cover graphic on the front, venue details listed on the back. This book reflects the diverse and rich graphic culture that has arisen from the medium, considering its use in areas such as music, politics and fashion. Music has had a lasting relationship with the T-shirt, which has proved almost as enduring a medium for music-related graphic design as the album cover. Design companies such as Mo Wax, Intro, Stylorouge and Designers Republic have comprehensive back catalogues of cool T-shirts that not only reflect the spirit of a particular band but also the spirit of a particular time. Equally, however, politics and high fashion use the T-shirt as a medium for expressing a particular message. Katherine Hamnett famously used T-shirts to oppose Pershing missiles, while Greenpeace, Amnesty International and similar organizations highlight their causes through T-shirt graphics. Fashion designers such as Stella McCartney and Savage use memorable graphics on T-shirts as an integral part of their range, while T-shirts are also a core part of the business of surf and skateboard companies such as Mambo and Fuct. Equally, however, graphic designers such as Tom Hingston and Product 250 are expanding into creating designs specifically for T-shirts.

Information Systems Strategy. The Case of Inked Apparel Nov 29 2020 Research paper from the year 2013 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: B, The University of Liverpool, language: English, abstract: This term paper presents an information systems strategy using the fictitious example of Inked Apparel. Inked Apparel is a custom clothing manufacturer and retailer; it is primarily situated in two sectors of trading, which is providing a service to its customer by creating a t-shirt of their desire and eventually retailing the produced clothing online as well as at local market stalls. Inked Apparel is a small business that will create custom T-shirts, Polo's and Hoodies with the choice of customer's preference of images, which can be then created by Ink's design team. These designs can be printed on the back or front as well as both sides of the clothing. Customers request through a form which is available on Ink's website and can be printed in paper form. Once the apparel has been created the company sells it to the customer at an agreed price set beforehand. In addition, a market stall is used to help sell generalised merchandise created by the artists for tourists and citizens such as 'I heart London' shirts.

The T-Shirt Revolution Jan 24 2023 The T-Shirt Revolution: How to Create a Killer Brand and Build a Following Online Forever. The t-shirt business, or more specifically the market for selling t-shirts online, has been red hot for some years. If you Google "T-Shirt Success Story," you will see countless accounts of people who have built a thriving t-shirt marketing empire from scratch. Many of these individuals now regularly bring in five figures every month thanks to the sales of professionally designed t-shirts. Naturally, this is fascinating to everyone who has ever dreamed of escaping the 9-5 grind. And this begs the question: why are designer t-shirts so well received? In a word, it's because they are the ideal niche product. As such, they speak to everyone's inherent need to express their uniqueness to the world. No matter what your specialization, passion, way of life, core values, or defining characteristic may be, you are welcome here. Whatever it may be, you can get a t-shirt with it printed on it and wear it to "brand" yourself. T-shirts' continued appeal stems from their ability to help people stand out from the crowd in the face of the monotony of everyday life. At the cheap, low price of twenty dollars, anyone can shed their identity and publicly pledge loyalty to whatever causes most resonate with them. What's constantly fascinating is that the t-shirt was originally and still is mostly an undershirt. Once popularized in the early 20th century, the "plain white tee" served as a blank canvas for marketers in the latter half of the last century who sought to link brand and lifestyle with the individual id. The concert t-shirt of the 1970s and 1980s can be seen as the ancestor of today's t-shirt fad. In those days, rock 'n' roll was on its way to becoming a major industry. Major bands started realizing that they were a brand and could sell merchandise besides only music to their devoted following. The fans, on the other hand, were completely devoted to specific groups, and they were not ashamed to show it. Concerts by popular musicians were often seen as a social status symbol. In this book you will learn how to: - Find out how to choose winning ideas almost every time! - Learn how to create outstanding t-shirt designs, even if you have no experience with Photoshop! - Learn how to promote your t-shirts without spending a fortune on marketing designs that may or may not sell! - Find out how to pick the best t-shirt printing business! (This has the potential to make or ruin your company!) - And a lot more!

Insider Secrets to Making Money with Teespring Mar 14 2022 There is one essential piece of clothing that everyone has in their closet no matter who they are. Whether a multimillionaire, a psychiatrist or a mechanic. Everyone owns at least one T-shirt T-shirts were made popular as everyday garments by returning GIs from World War II, but they gained extreme popularity in the Hollywood of the 1950s because actors like James Dean started wearing them on screen. From there, the popularity of the T-shirt exploded and over the next few decades, a T-shirt became a means of self-expression advertising a person's favorite bands, political affiliations or product brands and the popularity of the T-shirt in its myriad of colors and designs shows absolutely no signs of slowing down. Which means using marketing and creation platforms such as Teespring and Sunfrog.com can provide the perfect opportunities to make money in the T-shirt business online. There is already a built-in ever-growing marketplace for T-shirts, not to mention that they appeal to just about every market demographic currently in existence. So you will always build the find a buyer. Regardless of the style or design and Teespring and/or Sunfrog can help you tap into this ever-growing and loyal marketplace. Teespring and Sunfrog.com are online T-shirt creation and sales platforms that allow users to create and market T-shirts at no to very little cost. The way they do this is by allowing users to create a T-shirt design and then market it to potential customers and once a given sales goal has been reached, for example, 500 T-shirts. Those T-shirts are then printed and shipped to the customer directly or they can be delivered to the user that created them so they can either ship them themselves or take them to a special event or gathering for delivery. If, however, the 500 T-shirt sales goal is not reached, then the T-shirts are not printed or made thereby not costing the printing company or the user any money. The profit to be made from the sales and creation of the T-shirts comes from the percentage above cost, meaning that the user decides how much to charge for a T-shirt (the cost of creation will be calculated by the website) and anything after the cost of making the T-shirt is the profit for the user. So if you think you have an eye for trends in fashion, or you can come up with an eye-catching design or slogan that people will want to buy, then you should try creating and selling T-shirts with Teespring or Sunfrog . As these companies will allow you to get into the T-shirt business at no cost until you sell your product.
